What is this Plan about?
This Plan is about change – the changes that museums are facing, and the changes that will equip ICOM to support its network in the future.

ABOUT ICOM

Established in 1946, the International Council of Museums (ICOM) is an independent, non-governmental museum membership association with a global remit.

As an international body, ICOM currently has 44,686 individual members in 138 countries who participate through:

118 National Committees,
6 Regional Alliances,
32 International Committees and
22 Affiliated Organisations.

OUR VISION

By 2028, we will be a more transparent, agile, collaborative and democratic organisation, supporting our network to meet the demands of a rapidly changing world.

OUR MISSION

We connect and represent museum professionals across the world and provide a network for sharing knowledge and practice.

We advocate at an international level for the vital role that museums play in supporting peaceful, healthy and sustainable communities.
OUR COMMITMENT

We are committed to supporting our members in the stewardship of museums, in the custodianship of collections and in the service of heritage and the public.

We face contemporary challenges together.

We work for the protection of cultural and natural heritage.

We foster diversity, inclusion and equity.

We address decolonisation and climate change and work for the sustainability of our sector in a post-Covid world.

OUR VALUES

We are international in outlook.

We are professional in focus.

We are collaborative in practice.

OUR PRIORITIES

ICOM strengthens its position as the global voice for the international museum community.

ICOM implements best practice in governance and management.

ICOM leads a global museum network engaging with change.
IMPLEMENTING THE PLAN

This Plan has evolved from a detailed consultative process. Each part of the Association has been involved in its development and every part will have a role to play in its implementation.

After adoption by the General Assembly during the ICOM Triennial Conference in Prague (August 2022), the Strategic Planning Committee will work with the International and National Committees, Regional Alliances, Standing Committees, Working Groups, the Secretariat and the Executive Board to develop specific implementation plans based on a selection of those objectives most relevant to the work which they do.

In a spirit of collaboration and resource sharing, this Plan will encourage National Committees, International Committees, Regional Alliances and partners to work with the Secretariat and the Executive Board to fulfil specific strategic objectives.

**Contact:** Ole Winther/ Chair Strategic Planning Committee/ ole@kum.dk
When we meet in Prague at the ICOM Triennial Conference in August 2022, the General Assembly will be asked to adopt the new Strategic Plan and set the directions for the Association until 2028.

This is your plan. Upon adoption by the General Assembly during the ICOM Triennial in Prague (August 2022), the Strategic Planning Committee will work with the International and National Committees, Regional Alliances, Standing Committees and Working Groups to develop implementation plans based on a selection of those strategies which are most relevant to the work you do.

Strategic plans are always important but this is a momentous time as museums progressively reopen post-Covid, count the cost of closures during the pandemic and reimagine the future in a changing world. Leading the global museum community through this period of transition is ICOM's role and we have an opportunity to plan how the Association can best fulfill this role in the next decade.
